

# DRIVE AWAY WITH A TRUCK THAT LOOKS NEW

With the best deal in town guarantee\*

## Before

## After

Our Body Shop uses the latest technology and factory-trained technicians to repair your rig to exacting standards. We work with your insurance company to take the stress out of your repair and we have the tools and experience for any job, large or small. **From minor repairs to a complete overhaul, bring us any competitor's written price quote for paint and body work, and we guarantee we'll fix your vehicle for less\***. See the friendly folks at Orlando Freightliner for quality workmanship, fast turnaround, affordable pricing, and professional service.
